

## GENERAL PRODUCT DATA SHEET

Product Code/Form: 10 mil Heat Shrink White

Product Size: 20FT x 100FT x .010"

Product Color: White

<u>FILM PROPERTIES:</u>		<u>ASTM</u>	<u>UNITS</u>	<u>TYPICAL VALUES</u>
Tear Strength	MD	D-1922	grams	1,000
	TD			2,000
Tensile Strength	MD	D-882	psi	3,000
	TD			3,000
Elongation	MD	D-882	%	750
	TD			750
Dart Impact		D-1709	grams	900
% Shrink	MD	D-2732	%	35
	TD			0-20
Puncture Resistance		GPS Test	lbs	35
Density		D-1505	g/cc	.920-.925

Note: The data presented about are nominal values for the product type described based on random tests performed at the time of manufacture. The suggested applications are believed to be reliable however, there is no guaranty expressed or implied regarding the use of this information or its suitability for a particular application.
